

CLUB REGISTRAR COMPLIANCE DECLARATION

Complete and submit to Swim Ontario for access to the Registration, Tracking and Results System (RTR).

Swim Ontario's registration data is confidential information protected under federal and provincial Acts. This information is not to be divulged to outside agencies. Best judgement must be applied when asked for personal information from people outside the Ontario swimming community. The club must ensure that the information requested is reasonably associated with the organization's functions and that the information will be used according to the purposes that were expressed to the registrant upon collection.

The Club Registrar is the primary custodian of the registration data for each club. The Club Registrar's direct resource for guidance or assistance is the Provincial Registrar. The Club Registrar assigns Meet Manager access to the RTR. Additionally, there may be a requirement for another representative in the organization to access the site. As the primary custodian the Club Registrar can complete and submit an *Additional User Waiver Application* to the Swim Ontario Chief Executive Officer requesting user access for an additional user from within their organization. The Club Registrar assumes the responsibility of educating each site user within the club, of the requirement to respect and protect the confidentiality and privacy of personal information. The Club Registrar is responsible for removing access to the RTR for inactive users.

Registrants can view, correct and/or update their personal information within the RTR at any time by accessing their profile in the RTR with their username and password as created by them during registration.

Upon completion of club's annual affiliation with Swim Ontario including submission of this waiver, the registrar will be given password protected access to the RTR in order to begin the club's registration process for the season.
