

VIDEO RACE ANALYSIS

**Summer Ontario Swim Champs LC,
TPASC, Toronto, July 4-7, 2024**

RaceTek Race Video - Finals: Swim Ontario has contracted RaceTek to provide full Race Video coverage for all Finals at the Summer OSC, TPASC. Race Videos will be made available to all Swim Ontario affiliated Clubs/Teams.

- **Each Final will have three (3) Race Videos and will be named according to the Meet Name, Gender, Age Category, Event Name and Lanes (L0-2, L3-6 & L7-9).**
 - **Sample naming protocol: 2024SUMOSC-W/M 14-200IM-FNL-L3-6**
- **During the Competition, Race Video files will be uploaded to DropBox whereupon a "link" will be generated and made available to the Coaching Staff of each Team.**
 - **Head Coaches or designate will receive a link to the files and may share the link with their Assistant Coaches & Finalists.**
- **After the Competition (July 8th) the DropBox link will be made available to all teams, swimmers & parents (available on Summer OSC Website).**

RaceTek Race Analysis Data Reports can be ordered for all Finalists Pre/post-competition. Orders for Team Race Analysis Data Reports will be uploaded to a dedicated Club/Team Dropbox folder.

- **Race Analysis Data Report Orders (Samples below):**
 - **Individual Pricing (5 or less Race Analysis Data Reports):**
 - **50/100 Events - \$10.00/Data Report**
 - **200m Events - \$15.00/Data Report**
 - **400m Events - \$20.00/Data Report**
 - **800m /1500m - \$30.00/Data Reports**
 - **Team Pricing (6 or more Race Analysis Data Reports):**
 - **All races \$10.00 per Data Report (except 800/1500 - \$20.00).**
- **CompTrak Model & Race Plan Models (Samples below):**
 - **The CompTrak Model includes the Race Analysis Data Output.**
 - **CompTrak also includes Race Plan Data as a comparable.**
 - **Pricing (all events): \$10.00/Report / Plan**

RaceTek Systems Inc. - www.racetek.ca

Race Analysis Data Report: This is a "real time" Race Data Report (.html). This interactive report measures key swim-metrics data elements that can be used to objectively evaluate a race (Starts, Turns, Finishes, Split Times, Distance per Stroke, and Stroke Rates).

Sample:

https://www.racetek.ca/new/wp-content/uploads/2019/10/womens_100fly_lc_swimmetricreport.html

CompTrak Data Report: This data model uses VRA data to display each race as a one-line tracking entry. Each entry is displayed so that it can be compared to previous performances, Race Plan Data and World Performance Data.

Sample:
